

Brent said the generator at the lift station is fixed. It cost \$2600. He reminded Council that the generator is still 40 years old and we cannot get some of parts for it. He had previously got three bids with prices between \$22,000 and \$23,000. Since we have bought some time he would like to do more research before moving forward with replacing it and maybe see if there is some funding available.

On August 26th they will crack seal Maple Street. Then they will Chip Seal it next year.

Steve Marsh, TD & H, has put in an application for chip sealing 4th Street. TIB projects aren't determined until November.

OLD BUSINESS: Darrell and Einar reported on the Mayor's Meeting in Davenport. They are still discussing the coop between communities. Also there was much discussion on water systems.

We continually have problems with dogs at large. Numerous fines have been sent out, which they are paying but the problem still exists. Council encourages citizens to fill out a complaint form and to contact the landlord to see if he can resolve the problem. We will also contact the Sheriff's department for assistance.

The dog ordinance needs discussed and revamped. Council will work on it at a special meeting on the 27th of August.

The Comprehensive Plan needs to continue with updates. Council will work on it also at the meeting on the 27th.

Three building permits were approved.

NEW BUSINESS: Steve Nelson with Century West Engineering has set us up with a Tech Team meeting at the IACC Conference in October to help find funding for sewer and water projects.

MRSC recommends the Town requires all utility bills to be in the landlord's name as they are ultimately responsible for the bill if the renter does not pay. Council agreed this was a good idea and will implement this into the Utility Ordinance. If the bill is already in your renter's name we will not require you to change.

STATUS OF UTILITY ACCOUNTS: Eleven water off notices were sent, two paid in full and the others made payments

SEPTEMBER adjusted hours:
September 2nd – Closed for Labor Day
