

February 2021 Utility Bill Insert
ALMIRA TOWN HALL 639-2601

Dog tags are due February 28th, 2021.
\$10 late fee added March 1st.

We have recently had vandalism in the park and the alley down from Town hall on 3rd street. There has also been a report of car prowlers. If you have any information about either of these please let us know. We have to watch out for each other's property, if you see anything suspicious please call Lincoln County Sheriff.

GUESTS: Craig Beecroft, Jeremy and Dennis Pinar.

Jeremy Pinar is working for his Eagle Scout and was present to get approval for his Eagle Scout, "Welcome to Almira Sign Beautification Project". Jeremy will be improving the Welcome sign at the east entrance by removing sage brush, adding river rock, planting trees behind the sign and adding solar powered dusk to dawn. Jeremy estimates the cost as being \$1100. Council told him they would give him 60% of the cost of the project and he will be doing fund raising for the remaining expenses.

NUISANCE REPORT: A letter was sent to an individual regarding their dog being all over the town on a regular basis. Since the letter the dog has not been out.

Levi also suggested that they get the dump burned as soon as we could get a permit.

UPDATES BY STAFF: There will be a special meeting on the 25th at 5:30 pm to adopt the Critical Area Ordinance.

Risk Management Grants have been submitted to AWC-RMSA.

Letters were sent to past due customers informing them about the money available through Rural Resources for utility bills if you were affected by COVID.

USDA has approved a \$25,000 grant to help pay for the Sewer Plan.

Brent gave council the bids for the mini splits. It was decided to table them until summer and see where we were with the budget before moving forward. Silvercreek had the low bid.

NEW BUSINESS: The Natasha McCall, Cathy Florenzen and CP Ferris are all up for re-election this year. They will receive paperwork for filing later on.

BUILDING PERMITS: One building permit for a remodel was approved.

STATUS OF UTILITY ACCOUNTS: There were 20 connections with overdue accounts.
