RECYCLING: Please remember to break down your cardboard so we can get as much in the bin as possible. No Styrofoam or trash in the bin and cardboard must be corrugated cardboard only, no cereal boxes. It costs \$194 each time we dump the bins so we want to fill them as full as possible. You can put plastic in both sides of the 10-bin. If one side is full go to the other side, please don't leave it barely hanging there and smash your plastic if possible.

If you live in town you pay \$1 a month for the privilege to use the recycling bins, we ask that anyone not from in town please pay the same cheap fee.

.....

YARD WASTE DUMP: Please plan ahead if you are going to need the key to the dump over the weekend. Plan by Friday as the key isn't always available over the weekend.
