No Styrofoam or trash in the bin and cardboard must be corrugated cardboard only, no cereal boxes. It costs \$194 each time we dump the bins so we want to fill them as full as possible. You can put plastic in both sides of the 10-bin. If one side is full go to the other side, please don't leave it barely hanging there and smash your plastic if possible.

If you live in town you pay \$1.25 a month for the privilege to use the recycling bins, we ask that anyone not from in town please pay the same cheap fee. (Fees just increase to help pay for the heavy use of the recycling bins.
