APRIL COUNCIL MEETING:

UPDATES BY STAFF: Jeanette is still working on the Annual Report, and has attended some workshops and webinars.

There has been a lot of paperwork with the grants also.

Brent has been working with Avista on installing poles for the Fiber Optic Project. He is also working with CenturyWest on the Street and Sewer reports with hope of the lift station project getting underway this summer.

OLD BUSINESS: Hannah upgraded the Communication Policy and it was approved.

Brent spoke with EDC about the Fiber Optics Damage Waiver we were asked to sign. She agreed it was vague and more for homeowners. She was going to draw up a new one that addressed our concerns.

NEW BUSINESS: We had a customer that had illegally turned their water on and then had a pipe freeze while they were gone. They had a huge water bill for the month and a fine for turning the water on. They had written a letter to council but council has requested they attend a meeting to discuss it.

BUILDING PERMITS: None

STATUS OF UTILITY ACCOUNTS: 17 water off notices were sent. Two were turned off. One has been off since February. All others made payments.

The next Council Meeting is May 9th, 2023 at 7 pm
